Hello there

Do you want to move into a more exciting role, position or business? I am inspired to work with Women like yourselves, to support you to realise your personal / professional aspirations and accelerate progress towards your defined goals.

My mission is to support Woman to discover their Power and to develop their true potential as driven by their Purpose and Values: *"leaders for a better world"*

EmPower circle: Personal Excelleration 90 day Program:
I have this unique program that will shift your paradigm about what you can achieve and how to get there. You will define success for yourself, courageously explore your vulnerability and leverage your leadership Power.

You will benefit from my extensive experience, working with hundreds of leaders in over 25 countries. Using best practices in positive psychology and neuro-leadership. You will engage in impactful learning experiences that facilitate discovery, growth and authentic leadership. I look forward to sharing great times together.

EmPower Circle: Personal Excelleration 90 day Program

is a powerful combination of mentoring & coaching, with the shared wisdom from your peers to strengthen your personal power

Key Outcomes and take aways:

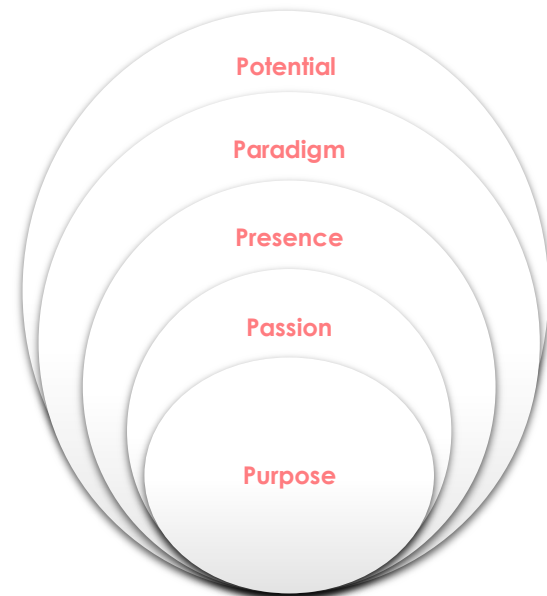

- Clarity of your values, purpose & passion
- Create your personal mission / vision statement
- Develop your resilience and optimism
- Define your personal success & honing your strengths
- Setting your path towards your aspirations & goals
- Coaching support to embed your actions & new habits
- Develop a leadership attitude and mindset
- Find your voice and develop Agency (mindful choices)
- Enhance your emotional intelligence
- Override self doubt, imposter syndrome & neg self talk
- Leadership Tips, Tools and a Workbook

You will never look back, equipping yourself with the mindset and skillset to set you on your path to inspire, influence and impact your world.

How does it work ?

In a peer group of upto 6 women, you will experience your own Personal Excelleration Journey over 90 days, based on 5 enablers:

- Purpose and Passion establishing authenticity
- Presence ie. your brand, to show up as your best self
- Paradigm: leadership mindset to set your stage
- Pathway: set your goals & accountability to make it happen
- Potential: harness your power to live a BIG & impactful life
